WHAT IS THE PAC ATTACK CHALLENGE™?

Hear a siren?!

This routine has been chosen for our PAC Attack Challenge™ and will perform again for the Best In Show award! The winning routine will be posted online for voting. The video with the most votes by next season will win

\$500 cash!

Routines are nominated live by the judging panel based on entertainment value and must be a group routine to be considered. PAC Attack Challenge™ nominees have fun energy on stage and get the audience moving. We encourage you to cheer on the performers, after all your applause is their inspiration!

WHAT IS THE **PAC ATTACK™** CALL BACK?

HOW DOES IT WORK?

Soloists registered in the Junior, Pre-Teen, Teen, and Senior age divisions in all levels (Advanced, Competitive, and Pre-Professional) are automatically entered.

This is a performance competition. Soloists that are truly captivating performers are what the judges are looking for on stage. Following their solo, the judges will cue the lights and sirens. This is how you will know that soloist has been chosen for a PAC Attack™ Call Back. By having the sirens sound, your dancer will be awarded a Precision Performer Award for the weekend.

The PAC Attack™ Call Back will take place before the awards of that session. PAC Attack™ Call Back contestants will then be asked to improvise. The improv will be done to a jazz song. They will be allowed to wear whatever they want for their Call Back.

They have already won! This is an opportunity to show off and have fun with a crowd full of their biggest fans!

Meet Your Judges

Producer - Alexis McLaughlin

Kristy Baker

Kristy Baker currently resides in Miami, FL. She is trained in all styles of dance and started dancing when she was 2 years old. Kristy has trained with such notables as Judy Ann Bassing, Scott Benson, Raye Young, Debbie Dee, and Jared Grimes. In her early teenage years she became the assistant of Judy Ann Bassing and traveled with her to many dance conventions throughout the U.S. Kristy graduated from Florida International University and received a Bachelor's degree in dance as well as being part of the FIU Dazzlers dance team and the FIU Tap Ensemble. She was an intern at Broadway Dance Center in NYC. She has danced in a music video for Miss Dee Records, SuperBowl, and is in several tap instructional dance videos. Her students have gone on to become Miami Heat Dancers, Florida Marlins Mermaids, Top 20 of So You Think You Can Dance, on tour with several artists such as Maluma, Beyonce, and several more.

Kayla James

Kayla James began her dance training at ten years old, and has been training in jazz, tap, ballet, lyrical, contemporary, and hip hop for almost twenty years. Shortly after, she went on to compete at competitions throughout the Northeast. Kayla performed in Walt Disney World and was a dancer for the Miss America Pageant. Upon high school graduation, she continued her career at Rider University pursuing a BA in Business and Sports Management in hopes of aiding dancers to manage their professional careers. During this time, she toured with a then popular dance competition and convention. After a stretch of injuries, Kayla turned her focus towards teaching and choreography. She has been on permanent and guest faculty for studios up and down the East Coast. Kayla's work has been awarded on regional, national, and international platforms through dance and her work with the USA Junior Olympic Gymnastics Program. Holding this strong foundation has led Kayla to be the Director of the Trenton Education Dance Institute (TEDI), an in-school dance program, for thousands of students in the Trenton Public School District. She has been recognized and awarded by the National Endowment for the Arts for her excellence in dance education in 2021 and 2022.

Loghan Burkes

For 20 years dance has been a driving force in Loghan's life. Loghan began her dance training at age 3 in Columbia, South Carolina. She trained in styles of tap, jazz, ballet, pointe, hip hop and lyrical in studio. Her training did not stop in studio as she was able to learn and add other styles to her repertoire including modern, African, baton twirling and HBCU/majorette. Her drive and passion for dance is endless. Loghan has had the opportunity to take master classes and intensives from some of the best in the industry including Dres Reid, Debbie Allen, Todd Flanagan, David Mann, Chloe and Maud Arnold, Karen McDonald, Artem Chigvintsev and many others to name. After graduating high school she continued dancing for her college dance team before ultimately finding a true joy in instructing and choreographing. She has had the opportunity to choreograph for several pageants and coronations for her Alma Mater and currently serves as a coach for a college dance team and an instructor/choreographer at a studio in NC.

Title Competition

**GET YOUR SHOT AT
THE CROWN**

Soloists must PRE-REGISTER as they will be competing in a separate session.

Any Pre-Professional soloists in the Petite, Junior, Pre-Teen, Teen, and Senior age group may compete for title.

Soloists may enter multiple routines for title.

Each judge will have a separate score sheet for all TITLE candidates judging on the routine's style.

There must be a minimum of 4 soloists in an age division to compete for TITLE. Title age divisions are separated as '8 & Under', '9 thru 12', and '13 & Up'. If the minimum is not met, entries will be combined.

Title winners will receive a banner and either a crown or a beanie, and will automatically be considered an Action Photography finalist. A dancer may only win title at one regional per year. Title entries will not be included in regular overalls and will instead be placed in their own overall category.
